Educational Program Plan (EPP)

Name of Child:

Year: 2021/2022

The pages following this cover page are a template that you may modify to fit your style and goals. It has been organized around common subjects, but you are free to change the subject names and rearrange the associated learning outcomes to suit your needs. This template does include all of the learning outcomes prescribed for home education. It is not necessary that you cover all of the learning outcomes each year, but you should have a plan to cover them at some point in your child's education.

- (a) read for information, understanding and enjoyment,
- (b) write and speak clearly, accurately and appropriately for the context,
- (c) use mathematics to solve problems in business, science and daily life situations,
- (d) understand the physical world, ecology and the diversity of life,
- (e) understand the scientific method, the nature of science and technology and their application to daily life
- (f) know the history and geography of Canada and have a general understanding of world history and geography,
- (g) understand Canada's political, social and economic systems within a global context
- (h) respect the cultural diversity, the religious diversity and the common values of Canada,
- (i) demonstrate desirable personal characteristics such as respect, responsibility, fairness, honesty, caring, loyalty and commitment to democratic ideals,
- (j) recognize the importance of personal well-being and appreciate how family and others contribute to that well-being,
- (k) know the basic requirements of an active, healthful lifestyle,
- (l) understand and appreciate literature, the arts and the creative process,
- (m) research an issue thoroughly and evaluate the credibility and reliability of information sources,
- (n) demonstrate critical and creative thinking skills in problem solving and decision making,
- (o) demonstrate competence in using information technologies,
- (p) know how to work independently and as part of a team,
- (q) manage time and other resources needed to complete a task,
- (r) demonstrate initiative, leadership, flexibility and persistence,
- (s) evaluate their own endeavours and continually strive to improve, and
- (t) have the desire and realize the need for life-long learning
